Sharm el-Sheikh, Egypt sits on the Sinai Peninsula, the land held sacred by followers of Abrahamic religions as the place where God appeared to Moses and called him to a mission of liberation.

From November 6 to 18, 2022, the governments who are parties to the UN Framework Convention on Climate Change will convene in Sharm el-Sheikh, Egypt for the conference widely known as “COP27.”

On each day of this conference, you are invited to pray *Shoeless on Sinai* in solidarity with the whole Earth community and, in a special way, with the Catholic Sisters, Brothers, priests, and other faith leaders who will be advocating for environmental justice in the UN proceedings on the Sinai Peninsula.

PRAYER SEQUENCE

1. Situate yourself for prayer by removing your shoes. If possible, go outdoors to pray with your bare feet on the earth and/or orient yourself in the approximate direction of Sharm-el-Sheik Egypt. Alternatively, if you happen to live in convenient proximity to a government building or UN office, you might engage in prayer outside that building on one or more days of the pilgrimage.
2. Read/view the day's reflection from the COP27 reflection calendar created by the Dominican Leadership Conference.
3. Enter into at least one full minute of contemplative silence, remaining in silence for as much time as you wish.
4. Conclude with the prayer
Shoeless on Sinai.

After the prayer, if it serves you, spend another minute repeating the mantra
*"Remove our shoes.
We stand on holy ground."*

SHOELESS ON SINAI PRAYER

*Shoeless on Sinai Earth,
our common home, is
crying out to us through
famines, floods, and fires,
"Remove your shoes
of ignorance. You stand
on holy ground."*

*Earth, our community, is being forced to move away from the
spaces that have nurtured our families for centuries.
"Remove your shoes of apathy. You stand on holy ground."*

*Earth, our common home, is calling us to recognize the true
wealth we are squandering in the pursuit of human-made
currency.
"Remove your shoes of greed. You stand on holy ground."*

*Earth, our community, is being crushed in every society and
ecosystem by excess or deprivation.
"Remove your shoes of individualism.
You stand on holy ground."*

*Earth, our common home, cannot wait any longer for us to
...remove our shoes and recognize that we live
on holy ground.*
